Ingredients
• 2 pounds butternut squash
• ¼ cup walnuts
• 2 tablespoons canola oil
• 1 teaspoon dried sage
• ¼ teaspoon salt
• ¼ teaspoon ground black pepper
• 1 tablespoon butter or canola oil
• ¼ cup dried cranberries
• 1 ½ tablespoons maple syrup

4. In a large bowl, add squash. Toss with oil, sage, salt and ground black pepper.
5. Spread squash evenly on a baking sheet. Roast, stirring once, until tender, about 35 minutes.

CMC & NHFB Launch First-in State Preventative Food Pantry

Catholic Medical Center (CMC), in partnership with the New Hampshire Food Bank, a program of Catholic Charities NH, and the Parish of the Transfiguration Food Pantry, has launched a transformative, first-in-the-state program. The Preventative Food Pantry helps patients with chronic medical conditions obtain wholesome foods and nutrition counseling in an effort to improve their overall health.

“There is a paradigm shift that’s been brewing for years, recognizing food as medicine,” says Dr. William Goodman, CMC’s Chief Medical Officer. “Access to healthy foods is a major social determinant of health. This program can be a turning point in the lives of our patients.”

CMC social workers and nutritionists will work to identify patients who have conditions such as hypertension, diabetes, and obesity, and who suffer from food insecurity. Those patients will receive a prescription for the Food Pantry, which they can visit twice a month to collect a box of healthy food that complies with their diet restrictions. Patients will also check in with volunteer nurses who will track key indicators of health, including weight, blood pressure, and A1C levels.

“Imagine knowing what’s in front of you isn’t healthy, but it’s all you have to eat,” says Eileen Liponis, Executive Director of the New Hampshire Food Bank. She notes that 1 in 9 New Hampshire residents, including 11 percent of children, are food insecure. “We hope this is the first of many programs like it across the state.”

The New Hampshire Food Bank will supply the food to the Parish of the Transfiguration Food Pantry, which will receive the prescription for each patient directly from CMC. A grant from the Bishop’s Charitable Assistance Fund helped get the program going, funding the purchase of a new commercial grade refrigerator and freezer to store vitamin-rich, fresh foods.

New Hampshire Food Bank’s First “Fresh Food Pantry”

New Hampshire Food Bank piloted a “Fresh Food Pantry” each Wednesday, beginning August 15th through October 31st. Fresh produce, dairy, shelf stable items, and pastry products were set up and distributed to individuals and families in need.

By 3pm each Wednesday afternoon people were lining up outside NHFB doors. More than 190,000 pounds of food was distributed during the Fresh Food Pantry pilot.

With such a great response, the Fresh Food Pantry will return in the spring of 2019.

When asked what they thought of the Fresh Food Pantry, one individual replied, “I have a family of 3, am disabled, and don’t qualify for food stamps. Between rent, lights, and all other bills it is hard to take care of my family. This place is a blessing”.

How Can You Help Families in Need this Holiday Season?

1 in 9 men, women, and children in NH are food insecure - meaning they do not know where their next meal will come from.

As the weather turns colder, people are faced with difficult decisions: Heat or eat; Lights or dinner; Rent or a meal. While many of us may never have to consider these choices, thousands in NH grapple with these types of difficult decisions. A few meals for a family might be what it takes for them to keep the lights on, heat their home or get important medical care, not just at the holidays, but all year long.

Here’s What YOU Can Do!

• Organize a food drive: By hosting a food drive you can help the NH Food Bank continue to meet the needs of many people in our community. For more information, visit nhfoodbank.org/how-to-help/host-a-food-drive or call 603.669.9725 ext. 1121.

• Make a monetary gift: For every dollar donated to the NH Food Bank, we can provide approximately two meals to those struggling with hunger here in NH. To donate, you can visit: nhfoodbank.org/donate; mail a check made payable to the NH Food Bank; or give us a call at 603.669.9725.

• Volunteer: The efforts of our volunteers are vital to the NH Food Bank’s mission of feeding the hungry in our state. For more information about our volunteer opportunities, visit nhfoodbank.org/how-to-help/volunteer or call our Volunteer Recruitment and Support VISTA 603-669-9725 ext. 1242.
